## **BuildBlock Joins US Green Building Council**

(Oklahoma City, OK, February 19, 2007) – BuildBlock Building Systems, LLC, manufacturer of BuildBlock Insulating Concrete Forms (ICFs), is now a proud member of the US Green Building Council. The USGBC is the nation's foremost coalition of leaders from every sector of the building industry working to promote buildings that are environmentally responsible, profitable and healthy places to live and work.

It is also the author of the LEED (Leadership in Energy and Environmental Design) Program. BuildBlock's membership in this prestigious organization demonstrates their commitment to green building and energy efficient solutions.

For more information about BuildBlock insulating concrete forms, visit their website at [www.buildblock.com](http://www.buildblock.com).

*BuildBlock Building Systems LLC is the manufacturer of BuildBlock® Insulating Concrete Forms (ICFs). Headquartered in Oklahoma City, BuildBlock serves North America through its manufacturing facilities in Colorado, Wisconsin, Massachusetts, Idaho, Indiana, Florida, Alabama, Utah, and Missouri.*
