BUILDBLOCK® BUILDING SYSTEMS, LLC

INSTALLATION MANUAL

This version of the installation manual was published on **January 23, 2009**. Changes to this document, however, may occur without notice and users should contact BuildBlock Building Systems LLC, for the most current printed or downloadable version at www.buildblock.com. It is the purchaser's and/or contractor's responsibility to always use the most current and up-to-date version of the installation manual when installing BuildBlock forms and/or products.

This manual was designed to be used as a reference guide only. This manual is not intended to be used as a replacement or substitute for the actual training by an experienced and properly trained BuildBlock building professional. Before starting any project BuildBlock recommends that you receive proper training. BuildBlock also recommends that you consult with design professionals familiar with the type and scope of project to be built. Training is available by contacting BuildBlock Building Systems LLC at www.buildblock.com or 866-222-2575.

BuildBlock Building Systems, LLC, believes the information contained herein to be accurate at the time of writing and preparation. The information has been compiled using sources believed to be reliable. Neither BuildBlock Building Systems, LLC, nor its employees or representatives make any representation or warranty, either expressed or implied, whether arising by statute, operation of law, custom of trade or otherwise, with respect to the accuracy or completeness of information contained in this document or its fitness for any particular purpose, nor do they assume any liability for damages or injury resulting from the application of such information.

BuildBlock Building Systems, LLC, assumes no responsibility regarding the use of its products or any other third party products referred to in this document. *It is the full responsibility of the user to comply with all applicable regulations and building code requirements concerning the use of these products and any other products outlined in this product manual. It is further the responsibility of the user to research and understand safe methods of use and handling of these products.* To properly comply with the building codes in your area, contact your local distributor, dealer, or building code inspector.

Product Warnings

Many new types of treated wood products using ACQ (alkaline copper quaternary) are highly corrosive to metal components. BuildBlock Building Systems LLC recommends that any metal products or components **should not be used** in contact with these treated lumber products unless you ensure the compatibility of your treated lumber with the metal components. Please consult with your project engineer to specify the type and sizing of all corrosion resistant metal connectors, anchor bolts, fasteners or other metal components. Please note that metal connectors, anchor bolts, fasteners or other metal components will corrode and lose their load carrying capacity, if installed in corrosive environments.

Trademarks

BuildBlock or **BB BuildBlock** and any other drawings, symbols, or marks identifying products and/or services of BuildBlock Building Systems LLC are registered trademarks of BuildBlock Building Systems LLC. All other trademarks drawings, symbols or marks are the property of their respective owners.

**LIMITED PRODUCT WARRANTY
BUILDBLOCK® INSULATING CONCRETE FORMS**

BuildBlock Insulating Concrete Forms are warranted for 180 days from the invoice shipping date only to the original purchaser and or the purchaser of forms from a BuildBlock approved Distributor or Dealer. All forms are warranted to be free from defects in material and workmanship which may cause the BuildBlock Forms to be unusable or not perform as the manufacturer's design intention for use as a form for poured concrete walls. This warranty is effective and enforceable only if the BuildBlock Forms are handled, stored, transported and installed in accordance with the BuildBlock Installation Manual, or any other installation instructions or guidelines published by BuildBlock Building Systems, LLC, and local building codes. Furthermore this warranty is effective only if BuildBlock Building Systems, LLC has received written notice of the defects along with proof of purchase from a warranted source (as stated above) within 30 days of the first discovery of a defect but in any event no later than within 180 days of the date of shipment of said forms by BuildBlock Building Systems, LLC. NOTE: After 180 days from invoice shipping date, all forms are out of the warranty period.

THIS WARRANTY EXPRESSLY EXCLUDES AND IS IN LIEU OF ALL OTHER WARRANTIES WHETHER WRITTEN OR ORAL. EXCEPT AS EXPRESSLY SET FORTH ABOVE, BUILDBLOCK BUILDING SYSTEMS, LLC MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, IN FACT OR IN LAW, INCLUDING, WITHOUT LIMITATION, THE WARRANTY OF MERCHANTABILITY OR WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.

BuildBlock Building Systems, LLC's liability and the purchaser's sole and exclusive remedy from alleged defects in the materials or manufacturing of the BuildBlock Forms shall be limited to the replacement of an equivalent amount of the defective product or a refund of the invoice charged for the defective product less shipping and handling charges (as BuildBlock Building Systems, LLC may elect) if full payment has been made. In no event shall BuildBlock Building Systems, LLC be liable for any consequential or incidental damages, losses, costs, or expenses of any person of any kind (including without limitation, loss of profits or injury to credit, reputation, or goodwill) directly or indirectly resulting from any alleged breach of warranty contained in this Manufacturer's Limited Warranty.

No other entity, person, Corporation, Company, or firm has any authorization or authority to bind or assume on behalf of BuildBlock Building Systems, LLC any other liability affirmation, representation, or warranty regarding or in connection with the sale of BuildBlock's Insulating Concrete Forms except as stated in this Manufacturer's Limited Warranty.

No further warranty is expressed or implied that is not mentioned in the above text. This is the complete and full warranty of BuildBlock Building Systems LLC for its Insulating Concrete Forms for Concrete.

Dated: January 21, 2007

Table of Contents

Introduction	2
Warranty	3
Table of Contents	4-5
Section 1: BuildBlock Insulating Concrete Forms	
1.1 Product Features.....	6
1.2 Product Specification Overview.....	7
1.3 Product Technical Details	8
1.4 Transportation, Handling, and Storage of BuildBlock Forms	9
Section 2: Recommended Tools and Accessories	
2.1 Tools and Materials List	10
Bracing	10
Bucking	10
Hot Knives and Accessories	10
Other ICF Tools and Accessories	11
Section 3: Estimating	
3.1 Estimating Your Block	12
3.2 Estimating Buck Materials.....	12
3.3 Estimating Concrete Volume.....	12
3.4 Choosing The Right Rebar.....	13
3.5 Estimating Rebar.....	13
Section 4: Footings	
4.1 Layout.....	14
4.2 Excavation.....	15
Building Footings To Applicable Codes	15
Minimum Width of ICF and Concrete Footings for ICF Walls	16
About Step Footings.....	18
4.3 First Course Placement: Wet-Set vs. Dry-Set (“Glue Down”)	19
About Stem Reinforcing Rebar	20
Rebar Footing Pin Placement	21
4.4 Pouring Footings	22
4.5 Wet-Set Prep	22
Wet-Set — Step by Step	23
Wet-Set Tips	24
4.6 Dry-Set — Step by Step	25
Dry-Set Tips	26
Section 5: Above-Grade Wall Placement	
5.1 Placing BuildBlock Walls	27
Rebar Reinforcing	29
Intersecting Walls	30
Radius Walls	32
Radius Wall Chart	33
5.2 Second Story Walls And Up	34
Transitioning from 8” forms to 6” forms (or 6” forms to 4” forms).....	35
2nd Floor / Joist Hanger Options	36
Beam Pockets	37
End Walls, Bulkheads And Retaining Walls	38
Gable Walls.....	39
5.3 Anchor Bolts	40

Section 6: Basement Wall Placement	
6.1 Basement Foundation Drainage.....	41
6.2 Stacking Basement Walls.....	42
6.3 Basement Wall Brick Ledge	43
Brick Ledge Photos	44
6.4 Basement Wall Waterproofing	45
6.5 Termite Protection for Below-Grade Applications.....	46
Section 7: Utility Access	
7.1 Planning Utility Access	47
Sleeves	47
Section 8: Window and Door Bucking	
8.1 Window And Door Bucking Options	48
Treated Wood	48
VBUCK® Block-out System	49
8.2 Buck Construction	50
Door Buck Construction	50
Window Buck Construction	50
8.3 Door Placement.....	51
8.4 Window Placement.....	52
8.5 Arched Windows and Bucks.....	53
Section 9: Bracing / Wall Alignment	
9.1 Bracing Options: Improvised Bracing vs. Professional Bracing Systems.....	54
9.2 Bracing Methods: Inside vs. Outside.....	54
9.3 Bracing Techniques	55
Bracing Diagram	55
Below-Grade Bracing Techniques	56
9.4 Bracing and Corner Bracing Examples (photos)	57
9.5 About Blowouts.....	58
Section 10: Concrete Placement	
10.1 Pre-Pour Checklist	59
10.2 About Concrete Mixes	60
10.3 About Concrete Delivery Systems.....	61
10.4 Placing Concrete	62
Consolidating Concrete	62
Topping Off Your Project	62
Section 11: Finishing	
11.1 About Interior Walls.....	63
Electrical And Plumbing	64
New Electrical Code Solutions	65
11.2 Veneers And Coatings	66
Section 12: Recommended ICF-Related Products	
12.1 Recommended Products Available through BuildBlock	69
12.2 Other Recommended Products.....	70
